His Legacy… Ricky was born in Oroville, California in the year of 1992 at Oroville Hospital. He passed on December 9, 2011 in Oroville. He was the most gorgeous person inside and out. Ricky was currently employed by FoodMaxx and attending school at Butte College. When Ricky-doo was little he was so energetic and a very happy kid. At young ages he would be on the lake with his family swimming and having tons of fun on the water tube. Then he got bored with the water and got his family into dirt bikes. He had no fear to ride, always leaving behind dust. Ricky loved school. He was always a good student from kindergarten all the way through his sophomore year of college, he always had good grades. Ricky’s passion was riding his BMX bike. He spent hours riding with his brother and friends. He always made time for family and friends. He was the greatest son, brother, boyfriend and best friend anybody could ask for. He blessed many of our lives and we will always love and cherish his memory.
