Evelyn Louella Gentry

Her Legacy… On May 13, 2008, Evelyn, loving mother, grandmother, aunt, and friend, was released from suffering and pain. She spent her final days surrounded by close family and friends, and her long battle ceased in a spirit of love and gentleness.

Evelyn was born and raised in San Jose, California. She raised her family in the east San Francisco Bay Area, where she was employed as a manager at Sears. After retiring she moved to Oregon with her late husband, Lloyd Gentry (Buzz). A 26 year resident in Coos County, Evelyn lived in Hauser, and later in Coos Bay. Throughout her time in Coos County, she was active in the community at the Bay Area Hospital, Shore Pines MHP, the Hauser community and other entities in the area. She loved gardening, sewing, and spending time with friends and family.

She leaves two children, 4 stepchildren, 13 grandchildren and numerous great-grandchildren. She will be missed greatly and the lessons she taught us will live on forever.
