His Legacy...Age 46, died July 2, 2008. He was born October 29, 1961 in Turlock, CA, to Richard and Mildred Mayberry. He moved to Oroville at a young age. He attended Nelson Elementary and Oroville High School. He began working for Safeway Foods soon after high school. He worked for Safeway for 28 years. It was at work that David met Cecilia “Sam” Lamson, the love of his life and mother of their children. They enjoyed 20 years of marriage, building their home, vacationing together and raising two beautiful daughters. Their home was filled with annual events, such as their Halloween pumpkin carving contest where over 28 cousins would compete for the scariest pumpkin and costume. He also enjoyed family traditions like “game night” where the family played cards and board games weekly. David loved the outdoors. Fishing was his passion. There were no “fish” stories, only the proud telling of every outing and the thrill of each catch. He was happiest in the quiet beauty of nature.
