His Legacy... Age 24, died July 2, 2008. He was born October 26, 1983 in Paradise, CA. to Sherman & Nora Gresham. He attended Las Plumas High School and loved welding class and wrestling on the JV & Varsity teams. Justin worked as a Certified Structural Welder for nine years and loved it. He was a very hard worker but knew how to have fun on the weekends. Justin loved being outdoors with family and friends, camping, fishing, hunting, belonging to E Clampus Vitus and most of all riding motorcycles. Justin will always be remembered in his friend's and family's hearts as a fun loving, free spirited family guy. He never missed an opportunity to live life to the fullest, he was always prepared to go camping on a moments notice, every day was an adventure with Justin and he never looked back. We will never forget the fun, the stories and the trips we were so lucky to have with him in the short time he was with us. He will be sorely missed but never forgotten.

His Family... Beloved & proud parents of Sherman & Nora, his twin sister Amber and his little brother Cody.
