His Legacy … There is so much to say, Raymond E. Peel was a multifaceted man, who accomplished anything and everything he put his mind to. Born on June 18, 1919, in Tennessee, life was not easy but little did this world know the tenacity and resilience this man processed not to mention his “Lions Heart”! Ray married the love of his life, Connie Thomas on July 3, 1943. On October 20, 1944, they had a son, John. He provided an adventurous life, for his family that included motorcycles, boats, airplanes, and anything that was related to the great outdoors. Even being recorded as the third man to ever ski barefoot. Ray was a tool and die maker for the railroad and a Aerospace supervisor for Aerojet where he retired. He wasn’t done yet, life took another turn and Ray started a business in Oroville, Peel’s Building Maintenance. This would be his second retirement, but he still had another venture to conquer. In 2007 Mr. Peel became a published author; his book was titled “Flying is 90% Pleasure and 10% Panic”. If you were to ask those closest to him, his greatest accomplishment was being the best Husband, Dad, Poppy, and friend that God ever put on this earth!

His Family… Ray is awaiting the day to be reunited with family and friends, in the Kingdom. Until then, his wife Connie, son John, granddaughters, Nynetta, Lisa, Michelle, and Monica, great grandchildren, Amber, Jacob, Casee, Brandi, John, Cody, Daniel, Taeler, Kasarah, Ehven, Wesley, Lexy, and Kiley, great-great grandchildren Raychel, Sophia, Dylan, Mason Alana, James Ashlynn, and Raymond will cherish the many memories and love they shared.
