Her Legacy… The most gracious, loving angel went home to her Lord and Savior on September 12, 2012 in Oroville, California. There Connie Peel is reunited with the one and only love of her life, her husband of 69 adventure filled years. Connie and Raymond were married on July 3, 1943. On October 20, 1944, they had a son, John. There was never a dull moment for this family whose days were consumed with fun that included motorcycles, boats, airplanes, and anything that included the great outdoors. Other hobbies included needlepoint, baking, children, and boy could she make the best peanut butter and jelly sandwich. Whatever she did, it was with love in her heart and to put a smile on a needed face. Connie loved life and had a distinct ability to see how important the little things were and how beautiful the roses always smell. This wonderful lady made quite the role model for her many grandchildren who hold her so dear. While disguised in a conservative petite structure, she possessed a strength, faith, and steadfastness that made the quote, “Behind every good man is a strong woman” ever apparent. This sparkly diamond is loved and forever cherished by all that knew her.

Her Family… Connie is now joined with Ray awaiting the day when, son John, granddaughters, Nynetta, Lisa, Michelle, and Monica, great grandchildren, Amber, Jacob, Casee, Brandi, John, Cody, Daniel, Taeler, Kasarah, Ehven, Wesley, Lexy, and Kylee, great-great grandchildren, Raychel, Sophia, Dylan, Mason, Alana, James, Ashlynn, and countless others can have a proper “Heavenly” family reunion.
