Guy Wesley Trew

Guy Wesley Trew was born in Michigan on January 15, 1960, and passed on August 4, 2008. Guy was the son of Karen Lorraine Mitchell and Wesley Burley Trew. He is survived by his father, sisters, Rainy, Debra, Michelle; brother, Brian and his girlfriend Lynn; brother-in-law, Lorne; nieces, Vanessa, Tahara, Allissa, Felicia; nephew, Brandon; grand niece, Leanna; and many others who loved him.

Guy was foot loose and fancy free. He has traveled across the United State several times using nothing but his thumb. There is no doubt that he enhanced many people’s lives in his travels. Somehow he even made it to Cuba on one of his “walk-abouts”. To those who knew him, Guy was a man of the world.

Guy was a very giving person. He would have literally given the shirt off of his back to anyone he thought needed it regardless of any personal inconvenience. Guy had very strong values and was incapable of dishonesty. Guy had a love for music and art, creating sculptures of many colors.

Guy had an unreal relationship with his brother Brian. Although sometimes separated by many miles, Brian and Guy were never far apart though the years, regardless of how tough things got. Brian cared for Guy in the final months of his life. Brian was at Guy’s side when he made his final journey.

Guy's family would like to thank all emergency services personnel who on many occasions interacted with Guy during the last part of his life. We thank you from the bottom of our hearts for treating him as wonderfully as you did.

Guy had a deep impact on his family and friends. He will not be forgotten and will be greatly missed. His family finds great comfort knowing he has reunited with his beloved mother.

Family and friends will be celebrating Guy's life at Riverbend Park at 9:00 am on August 8, 2008.
