On March 12, 1934 Narvell Shumpert "George" was born as the 5th child to Mr. and Mrs. Jim B. and Ellie Mae Shumpert, in Mississippi. He was a true farm boy. He loved horses and tractors and was a real family man. He ventured out away from the farm to Oroville, California to meet this beautiful girl his sister Sarah wouldn't stop talking about. Her name was Zelleno Harris. They called her Lena. George and Lena quickly became really good friends because he felt like he already knew her. To no surprise, love and marriage soon followed. He became the very proud father of five children. He continued his life of hard work at the Butte County Hospital, Medical Center Hospital and the Cannery while in Oroville. After nearly 15 years in California, he relocated the family back to his home state of Mississippi. He was very successful and happy while there. He built a brand new home for his family, later purchasing two beautiful homes and continued to work. He was well liked and respected on his job and was promoted to supervisor. After retiring, he and his wife decided to move to Arizona. They only stayed in Arizona a short while before returning to California, where all the kids were located. Mr. Narvell Shumpert became ill, and was hospitalized. He had always said he didn't want to be sitting up, taking a whole bunch of medicine and being sickly. He said he'd rather cherish his good years and be satisfied. Well on April 26, 2013, he accepted Jesus Christ and went in peace. He left behind to cherish his memory, his loving and devoted wife, Zelleno Shumpert, their five children, Teresa, LaVerne, Steven, Anthony and Dorene. He also leaves behind 4 sisters, Sarah, Sue, Jerry and Helen, 4 brothers, Willie D., Glen, Sank and Stuart, 5 grandchildren, 2 great grandchildren, numerous nieces, nephews and cousins and a selection of special friends. He was preceded in death by his parents, Mr. & Mrs. Jim B. and Ellie Mae Shumpert and his eldest brother John.
