Elena G. Robilliard left us on July 4th, 2013 to be with her husband of 60 years, John F. Robilliard. Although we are deeply saddened for her departure, we are consoled to know she is with the Lord and the loved ones that preceded her. We mourn her loss but the thought of a happy family reunion in the hereafter brings us peace.

Elena was born in Pisco, Peru. A 35 year resident of Oroville, CA, she was preceded by her husband, her parents, siblings, and several other beloved relatives. Elena’s life was dedicated to her immediate and extended family. She leaves us her legacy of love and understanding. Her home was always open to those who came to visit.
