His Legacy…Mr. Paul M. Harrison, 67 of Gridley CA, passed away at his home on February 24, 2014. Paul was born in Wichita Kansas to Paul and Katherine Harrison. He was a devoted family man with a visionary and adventurous spirit. He created life adventures with the philosophy that no dream was too big. He fearlessly lived to the fullest with an open heart. Together with his wife, he built a 44 foot boat, Ithaca and She was their home on the sea for a chapter in the life of ‘Captain Paul.’ And as a Parrot head he never turned down an invitation to party. Paul was passionate about farming, boating and fishing. His final adventure was as a Chestnut Farmer in Gridley, California. Previously he worked in Sheet metal manufacturing throughout northern California for Hester Roofing’s Spectrum Sheet metal and Concord Sheet metal. Paul loved his family and friends and held a special place in his heart for children. He was blessed with many friends who he dearly loved and embraced all aspects of the man ‘Captain and Farmer Paul.’ His spirit lives on in all that knew him.
