Joel Eldridge was born on January 19, 1978 in Oroville, California to Sheila Anne Voss and Robert Wayne Eldridge. Joel passed away on February 19, 2015 in Chico, California. He was a very awesome son and he loved his mom very much. Joel lost his sister, Shannon Laray Eldridge just 13 months ago and lost his dad in 1994. Joel was just starting to build on his relationship with his two youngest children. When Joel was a small boy he loved fishing, he would go out at the end of Grand Ave, after they planted the fish. Joel, his mom and a friend would take about 6 to 8 kids and would catch their limit and take that home and feed the kids and go back and catch the limit again. That’s a lot of fish. Joel lived in Oroville most of his life. It’s a wonderful feeling knowing he is with his sister, and they are both looking down keeping an eye on their mother. Joel will be remembered as a wonderful loving man who would always make people happy. We all have our downfalls but Joel always seemed to pick himself up every time. As many of you know Joel loved women and he was all about making as many women happy as he could. He just couldn’t help himself.

His Family… Joel is survived by his mom Sheila Voss, his children Joey Eldridge 18, Lyndsay Eldridge 16, Madyson Laray Eldridge 11, and Matthew David Eldridge 10, along with many other family and friends.
