Leslie Shipman

Leslie Joan Shipman (72) was called to rest on April 24th, 2015 at her home in Oroville, California. Born on September 30th, 1942 in San Jose, California, Leslie was the oldest of Nicholas and Alice Bagars three children. A native of the Bay Area she moved to the Oroville area in 1976 with her husband Charles Shipman and their children, where she began a career spanning over 30 years as a diet aide at Oroville Hospital. She’s still remembered for the famous “Leslies casserole” that’s currently on the menu in the hospital cafeteria.

Surrounded by family and friends, known for her cheerful laugh and bright smile. She loved camping with her family in the summer; never a fan of swimming, Leslie loved floating in the lake on her inner tube. A die hard sports fan, she never missed a 49er’s or A’s game. As a lifelong Elvis fan, she boasted a collection of memorabilia large enough to have its own room, dubbed “The Elvis Room”. From Maui to Memphis, she loved to travel the country exploring famous land marks and local culture. Though she may be gone, she will never be forgotten and will live forever in our hearts. “Dream with the feathers of angels beneath your head”
