October 19, 2015

Her Family... Michelle is survived by her husband Mark Dubie and family, sons Sergio Bunstock, Sean Bunstock (Jody) and family, sister Paula Barrett and family, brother Tony Franchi (Cindy) and family, and many more family members too many to mention yet all in her heart.

Her Legacy... Michelle Mignon Franchi was born to Carol & Roger Franchi on March 12, 1963. On Oct.19, 2015 she joined our parents in Heaven with our Heavenly Father. As a child she was happy, loving, & joyful which followed into her adulthood with that infectious smile & beautiful blue eyes. After graduating from OHS in 1981 she went on to pursue her talents she had been blessed with such as writing children’s stories, poetry, art & creative crafts. Later in life her love of children led her to open a day care in her home where she was able to be a stay at home mom as well. She continued her relationship with one of her special children who is an adult now. Some years later she moved to Colorado & married Mark Dubie of Oroville, they loved their life there although her family missed her. She had been in training with Holiday Inn Express to become a supervisor of food & beverage for banquets. Her co-workers were like family & she will be greatly missed. She knew no strangers, had a heart of gold which touched many throughout her life, if you knew her you loved her. She leaves behind many family & friends from all over who were blessed to be a part of her life. On Sept. 22 Michelle suffered a brain aneurysm from which she never recovered despite the outpouring of prayers for a miracle. Her family was by her side hoping & praying but God had other plans for his new angel. Please remember her with a smile; she will forever live on in our hearts & memories until we are together again. The unselfish woman she was continues on as she was a donor & will continue to help many people of which will be given their sight because of her beautiful spirit.

Her Farewell Service... A private Celebration of Life will be held at a later date.
